

The Sign of Quality Vanderpump & Sykes' Conveyancing Service

Buying a home is one of the largest purchases anyone will make in their lifetime, so it is essential that it is carried out to the highest standard by a solicitor.

There are many different conveyancing service providers out there, making it difficult for home buyers to identify those which can ensure a reliable and efficient level of service.

As a result, the Law Society has introduced the **Conveyancing Quality Scheme (CQS)**, in recognition of firms that offer efficient and quality conveyancing. North London based firm, **Vanderpump & Sykes**, have secured this status in recognition of the high standards provided to residential property clients.

Keith Thompson, partner in the conveyancing department says "It is an assurance to home buyers of the service level that we provide, at what is often a stressful time for many people"

When buying a home, clients can be certain they will receive a first class professional service which is recognised by the CQS standard."
